Living with Marfan Syndrome

Being my first blog post, let me introduce myself. My name is Kaitlyn. I'm 15. Because of my genetic disorder, Marfan Syndrome, I am 6 foot 2 inches tall. I have an older brother, and a younger brother, but I am the only one with Marfan Syndrome. My mom passed away in 2006, due to a heart complication, caused by Marfan. As far as interests, I am in a band, I do lead vocals for it. I play guitar, but not very well, I'm still learning. My main interest is music. Alternative Rock and Heavy Metal are my favorites, but I listen to anything, as long as its good. I look forward to more blogs! Thanks for reading. Kaitlyn Rene
